

CIKLOPEA

Summer School

Ciklopea is an industry-focused provider of linguistic solutions enabling companies to reach, engage and support global clients and customers.

Our linguistic products have been developed to accommodate the specific requirements, dynamics and prospects of the life sciences, IT & software and technology and manufacturing industries.

Ciklopea Summer School began in 2015 as a further step in the company's decade-long effort to develop cooperation between the industry and the academic community. More than 20 students from Slovenia, Croatia, Bosnia and Herzegovina, Montenegro and Serbia attended the two Summer School held since.

The aim of the Summer School is to establish the first contact between the students of the linguistic studies and the language industry, their development and advancement, as well as the exchange of knowledge and experience, all to make the students, i.e. the future professional translators, as ready as possible to keep up with the professional challenges lying ahead and to make their transition to the professional world as successful as possible.

Therefore, we

INVITE

you: the degree candidates and the graduate students of language studies (English and German studies) from the region of Southeast Europe (Slovenia, Croatia, Serbia, Bosnia and Herzegovina, Montenegro, Albania, Kosovo and the Republic of Macedonia), who are willing to expand their knowledge and advance in their profession to apply for Ciklopea Summer School in Zagreb, taking place **21st August – 1st September 2017**.

We expect the candidates to:
