Dear students,
First of all I would like to thank you for choosing our University for your international mobility. It is my great pleasure and honour to welcome you to the University of Zadar, the follower of the long academic tradition started in Zadar in 1396 by establishment of the Dominican University *Univeritas Iadeartina*. I wish you a pleasant and fruitful stay. I hope that, apart from the professional and academic knowledge, you will learn a lot about Croatia, Zadar and Croatian culture and make a lot of lifelong friends. You will have an opportunity to present your university and your country, and this will help your Croatian colleagues to improve their knowledge of your homeland and culture. Overall I hope that this will be a joyful and rewarding experience and that you’ll become one of the ambassadors of the University of Zadar in the world.

Have a joyful and pleasant stay!

2. The city of Zadar

Zadar is home to 71,471 inhabitants, it is the capital of the Zadar County and strong maritime, tourist, harbour and industrial city in the centre of the Croatian Adriatic. The old part of the City, located on a small peninsula, is an important historical town, rich with world renowned heritage visible at every step.

In Roman documents the old Liburnian centre Zadar is mentioned for the first time as Jader (Jadera) when after 59 BC it became a Roman municipium and shortly afterwards a colony of Roman citizens. After the fall of the Western Roman Empire, Zadar became the capital of the Byzantine province of Dalmatia. During the 10th and especially the 11th century the city was governed by the Croats. In the Middle Ages the city maintained its autonomy in spite of frequent conflicts with Venice. In the year 1409, Ladislaus of Naples sold the city of Zadar to Venice because of “his rights” over Dalmatia. After the fall of Venice, Zadar came under Austrian rule as the capital city of Dalmatia. According the Treaty of Rapallo Zadar was given to Italy (1920) but after the Second World War it was returned to its mother country Croatia.

Founded on a 3,000 years old tradition, the Zadar region has developed to the extent that today covers 14% of the total land surface of the Republic of Croatia and around 12% of the territorial waters, with more than 300 smaller and larger islands, better known under the name of Zadar archipelago. The region offers beaches with crystal clean water and other natural beauties such as nature parks Telašćica at the Island of Dugi Otok, Lake Vrana and Mount Velebit, as well as national parks Kornati Islands, Paklenica and Krka waterfalls.

Did you know that in the 19th century Zadar many things were introduced for the first time in Croatia - the first newspaper printed in Croatian language, the first operation under ether narcosis, the first public park (Queen Jelena Madievka Park) and the first Red Cross branch in Croatia?
How to get to Zadar?

By bus

Buses connect Zadar with all larger cities in Europe: Ljubljana, Trieste, Vienna, Zürich, Munich, Rotterdam and others.

By ferry

The ferry port in the city centre connects Zadar with Ancona (Italy) and some ferry ports on Croatian islands and harbours (Rijeka, Dubrovnik, Pula etc.). Information about schedules and destinations can be found on the official web sites of Jadrolinija www.jadrolinija.hr and Mia Tours Agency www.miatours.hr.

By car

You can use one of three possible roads:

– Down the A1 Highway from the direction of Zagreb/Rijeka – exit Zadar Zapad (Zadar West)
– Down the A1 Highway from the direction of Split – exit Zadar Istok (Zadar East)
– Down the DC8 Adriatic road from the direction Šibenik/Split

More information about the situation on the highways and maps can be found on www.hak.hr.

If you need roadside assistance or in case of an accident, call at +385/1987 HAK - Croatian Auto-club which operates 24 hours a day. For road information and advice call +385/62 777 777.
If you fly to Zadar you can take the bus (25,00 HRK one way ticket) to the main bus station or the city centre. A taxi ride from the airport will cost you approx. 150,00 HRK (20 Euros).

By plane

The International Zadar Airport is located in Zemunik (12 km from Zadar) and offers flights to Zagreb (the main Croatian airport) and to large number of European cities directly from Zadar. Information about flight schedules and destinations can be found on the official web site of Zadar Airport [www.zadar-airport.hr](http://www.zadar-airport.hr).

The approximate distance in kilometres between Zadar and some European cities:

- Zagreb 270 km
- Trieste 300 km
- Graz 520 km
- Vienna 705 km
- Berlin 1400 km
- Milan 700 km
- Munich 800 km
- Paris 1700 km

By train

This may be the most difficult way of reaching Zadar and we would not recommend it, because Zadar is connected by train to Zagreb and the rest of Europe through the city of Knin.

3. Studying in Zadar

3.1. About the University

Zadar is a traditional European university city. As early as on 14 June 1396 in Dominican monastery in Zadar the university Studium generale, later called Universitas Jadertina was founded. The University of Zadar is the largest fully integrated university in Croatia. A total of 5454 students are enrolled in the undergraduate, graduate and doctoral studies. There are 619 employees at the University, 426 of them members of the academic staff holding scientific-teaching, teaching and assistant titles. As one of the youngest universities in Croatia (though historically the oldest), the University of Zadar points out as one of its priorities not only the international but also the inter-university cooperation with all the relevant universities and institutes in Croatia as well as the development of such mechanisms and methods that will facilitate the establishment of international cooperation. First of all, this implies the implementation of the European Credit Transfer System (ECTS), which enables faster and easier flow of people and knowledge on the university undergraduate, graduate and doctoral study programmes and scientific and research projects.

**c) Language of instruction and language requirements**

It is important to know that the majority of courses are taught in Croatian. However, a considerable number of courses are offered in English, Italian and German language. At the Departments of French and Francophone Studies, English Studies, Hispanic and Iberian Studies, German Studies, Italian Studies and Russian Studies the lectures are held in the language of the study.

Also, the University of Zadar offers the possibility of teaching in English for the students who don’t speak Croatian (mainly through the consultation hours).
How to prove the language skills:

All students have to fill in English Language Proficiency form which can be found at the following link: http://www.unizd.hr/eng/international-relations/student-mobility/language-requirements.

Please note that fluent language skills are vital for successful studies at the University of Zadar. If the language requirements are not met, the University of Zadar will not accept the student! If the student doesn’t meet the language requirements, the department has the right to reject the student even if the student has been previously accepted.

All foreign students have the opportunity to attend the free Croatian language course during the semester (2 hours per week, 2 ECTS) at the Centre for Foreign Languages of the University of Zadar. Contact for the information and registration for the course:

4.2. Visa requirements and Residence permit

All the up-to-date information regarding visa requirements and residence permit can be found on the following website: www.studyincroatia.hr/living-in-croatia.

Visa requirements – Nationals of countries subject to the visa requirement also need to procure an entry visa for Croatia (Viza C). Information on countries subject to the visa requirement can be found on the web site of the Croatian Ministry of Foreign and European Affairs (www.mvep.hr). The visa application (Viza C) must be submitted to the diplomatic mission or consulate of the Republic of Croatia in the foreign national’s home country. A list of missions and consulates is available on web site of the Croatian Ministry of Foreign and European Affairs.

Residence permit – According to the Croatian Law on foreigners, foreign nationals intending to study in Croatia must regulate their temporary residence for the purpose of studying if their period of stay in Croatia is longer than 90 days.

Where to submit residence permit application – International students coming from non-EEA countries can submit residence permit application in one of two ways:

▶ to the diplomatic mission or consulate of the Republic of Croatia in their home country or
▶ to the Central Police Station in Zadar (Address: Put Murvice 9, 23 000 Zadar) immediately upon their arrival in Croatia if they submit the proof of taking part in an exchange programme approved by the Ministry of Science, Education and Sports in Croatia (Erasmus+, CEEPUS, bilateral exchange, etc.) – recommended!

When to submit residence permit application – Students submitting an application to the diplomatic mission or consulate of the Republic of Croatia in their home country should do so prior to their scheduled arrival in Croatia. The usual procedure can take three months or longer (including time needed for all the necessary documents to be translated into Croatian). There is also a fast-track option for handling the application and students can
request this at the diplomatic mission or consulate, in which case they pay a higher fee. Students submitting the application to the Central Police Station in Zadar should do so immediately upon entering Croatia, i.e. within 48 hours from the date of entering in Croatia.

The temporary residence permit is usually granted for the duration of one year or for the duration of the academic year and students must submit the following application documents:

**EU nationals** must submit the following documents:
- copy of ID
- confirmation of enrolment signed by the rector of the University of Zadar
- proof of the health insurance (European Health Insurance Card - EHIC)
- exact address of the apartment/flat in which you are staying
- form 1b which you will get in the Police station
- proof of finances: a scholarship or proof of having access to finances in the amount of at least 1,000 Kunas per month during the mobility period.

**Non EU nationals** must submit the following documents:
- copy of passport (first page with photo)
- confirmation of enrolment signed by the rector of the University of Zadar
- one photo (30 x 35 mm)
- proof of the private health insurance
- exact address of the apartment/flat in which you are staying
- form 1a which you will get in the Police station
- proof of finances: a scholarship or proof of having access to finances in the amount of at least 1,000 Kunas per month during the mobility period
- 240 kn for the cost of the issuance of the biometric residence card
- 70 kn stamp duty which can be bought at all newsstands
- 330 kn for the approval of temporary residence

**4.3. Medical insurance**

All foreign students must have health insurance covered during their stay in Croatia. EU nationals must have their European Health Insurance Card. For all the others, in case Croatia has an agreement on social insurance with the country from which the students are coming, they can enjoy the health insurance provided by their own country. However, international agreements do not cover all the medical services, in which case the students will have to pay for them themselves.

Please check with the healthcare provider at home or visit: [http://www.studyincroatia.hr/living-in-croatia/health-care](http://www.studyincroatia.hr/living-in-croatia/health-care).

Erasmus students staying temporarily in Croatia are exempted from paying the fee for compulsory health insurance in Croatia. They may use the international health insurance from their home country (European Health Insurance Card) or choose to be insured at the health insurance company of their choice. The Ministry of Science, Education and Sports also covers the health insurance expenses for all foreign nationals that receive grants from the Ministry, if it is foreseen by the conditions of the grant.
4.4. Accommodation

International students are usually accommodated in student dormitory or in private apartments. The price of the accommodation in the student dormitory is 580,00 HRK for the first month and 500,00 HRK for each following month.

Student dormitory has 94 rooms, 18 of which triple and 76 double rooms and can accommodate 206 students. There are three kitchenettes, two TV rooms, large hall, classroom, computer cabinet, laundry and recreational hall. From 20 July to 31 August the Dormitory of the University of Zadar works as a hostel and it is closed for the students. There are 6 places booked for the incoming students at the address Ulica dr. Franje Tuđmana 24d. The student can get the accommodation in the dormitory on first come first served basis.

Registration has to be done by filling in the application form and sending it to e-mail:  
iration@unizd.hr

The application form can be found at the following web site:
http://www.unizd.hr/English/InternationalRelationsOffice/MobilityDocuments/tabid/3337/Default.aspx.

A much more reliable way of finding satisfactory accommodation is a private room or an apartment. Normally, students come to Zadar without a permanent place to live, however you shouldn’t arrive without temporary accommodation. Therefore, we suggest hostels:
https://www.airbnb.com/
https://www.facebook.com/hostelkolovare

It is nowadays more common to rent a flat and share it with other students. This is usually more comfortable, since it allows the students more freedom and flexibility, especially in terms of timetables. The ESN Zadar members created a helpful Facebook group Be my roommate – Zadar timetables. The ESN Zadar members created a helpful Facebook group Be my roommate – Zadar where you can make a post and connect with exchange and local students that are looking for an apartment and/or room-mates. A much more reliable way of finding satisfactory accommodation is a private room or an apartment. Prices vary, but you can find a room for acc. 100 - 150 €, while the prices for apartments range between 200 and 400 € per month. You should clarify with your landlord what exactly are you paying for, some will also ask you for a deposit that will be returned if you don’t damage the apartment/flat. Normally, rent prices don’t include bills for household utilities or internet.
The best way to search for apartment/flat is to check different offers on the following web-portals. Some of the portals are only in Croatian, but they usually have photos of apartments and contact email so may send an inquiry

www.njuskalo.hr
https://www.facebook.com/iznajmljivanje.stanova.zadar
www.oglasnik.hr
www.suncani-dom.hr
http://www.crozilla-nekretnine.com/s/3_1_5110/zadar.htm
http://trazime.com.hr/

Please note that some of these agencies may charge a fee and that our office does not endorse any of these.

Some of these sites are only in Croatian language, but it is easy to manage with basic vocabulary or Google Translate.

4.5. Student Buddy System

The Incoming Student Buddy System helps you in your arrival and stay in Zadar. “Buddies” are students of the University of Zadar who take the mentor role and assist the incoming students during their exchange period, doing it on a voluntary basis in their spare time. They are expected to help the incoming students in the following ways:

▶ pick up students at the airport or bus station and bring them to their housing,
▶ help them to understand the layout of Zadar and get used to the new environment (local transport routes, bus connections, office hours, opening a bank account, etc.),
▶ help to integrate by organizing social events such as parties and cultural programmes,
▶ help them throughout the semester if problems should arise.

You should fill in the application form at least two weeks before your arrival in Zadar and send it via e-mail to eszadar@gmail.com. We strongly recommend it to all the incoming students. The application form is downloadable at the following web site:
5. After the arrival

After the arrival, exchange students must attend the Welcome day organised by the International Relations Office where they will get the Exchange student’s record sheet, X-card (if the exchange programme provides it) and AAI account with the password for Internet access. The students will get the X-card and the AAI account only after getting the OIB (Personal Identification Number) which is obtained upon registration at the Police station or at the Tax Administration Office. Exchange student’s record sheet contains student’s personal information, list of the courses that will be attended, the ECTS credits and the grades that will be achieved after passing the exams. X-card is a student identification card and by presentation of this card the student can enjoy the discount prices in student restaurant “Barbakan” and fast food restaurant “Citadela”. According to the decision of the Croatian Ministry of Science and Education, the X-cards are provided for the Erasmus+ and CEEPUS incoming students only.

AAI account is the account of AAI@EduHr system which provides free wireless Internet access in the Student Dormitory and University facilities. If students’ home country is connected to the pan-European roaming system Eduroam (www.eduroam.org) or eduGAIN, the students can use the identity account they got in their home university. Otherwise, the student will get an AAI account upon arrival at the University of Zadar.

Student experiences

Group of 2015/2016 Erasmus+ students created short videos showing the impact that mobility period spent abroad has on student life, meeting new friends and learning about different cultures. Videos are available at https://www.youtube.com/channel/UCVLtZufwUknxOL7ThiHUAJg

Carla and Silvia Costa, Erasmus+ Interns at the Department of Italian Studies from Italy
We came to Zadar for an internship at the department of Italian studies. The end of our experience is drawing closer and we can only speak in superlatives about it. Thanks to the teachers, students and staff, we feel like we are at home at the university. The teachers we are working with are cheerful and friendly every day and that is very important! The premises of the university are really comfortable, tidy, clean and warm. The view from the building of the university window is a special one: onto the sea, which looks breath-taking and different every day. We have to admit that the location of the university, next to the sea and in the centre of the city, is unique and invaluable. Everything that could be of interest is situated near the university and the city is beautiful. These days in particular one can feel the Christmas atmosphere: decorations, fairs, music and much more... Here in Zadar everything is wonderful! In other words, Silvia and I would repeat this experience a 100 times!

Wioletta Turek, Croatian philology, Poland
I’m studying Croatian philology in Wrocław and from the very beginning I knew that my Erasmus destination will be Croatia. Erasmus programme has given me a lot of new experiences, opportunities to meet new friends from all over the world and to get to know more about tradition and customs of other cultures. I’ve got a chance to experience new and different situations. In my opinion, Erasmus can be the greatest experience. When I chose Zadar, I didn’t expect anything. Zadar is a beautiful small city with a soul. Now after 3 weeks being here, I’m glad that I’ve chosen it as my exchange destination. It can surprise me anytime.

Jana Vytásková, Psychology, Czech Republic
My Erasmus in Zadar has changed my view on Croatia and its culture completely. University of Zadar surprised me with high-quality studies and friendly attitude towards international students. What will I miss the most? The entire city - it’s atmosphere, people, sunny weather, coffee breaks, sea and sunset. So, if you have a chance, definitely go to Zadar!!

Donata Telišauskaitė, Social Policy, Lithuania
It is the region where the sun shines every day and you can see the best sunset in the world. I have fallen in love with everything. I love the climate, the nature, the sea, and the sunset.

Giedré Burbaitė, Trainee, Lithuania
I wanted to try something different – the Mediterranean coast. Croatia was definitely the best choice. Erasmus programme totally changed my life.
