Zadar - the University Town

Zadar is an ancient European university city, and the oldest university in Croatia. In 1904, the University of Zadar was founded by the Archdiocese of Zadar. Since then, the University of Zadar has been an important cultural, educational, scientific, and economic center of the Zadar region. The University of Zadar is one of the youngest universities in Croatia and is a leader in Croatia. As one of the youngest universities in Croatia, the University of Zadar is the European University City of Access to Knowledge, a network of European universities that are committed to promoting access to knowledge.

The University of Zadar is a mid-sized university in the European environment, in the city of Zadar. It is the second place in the nation evaluations that we are on the right track towards achieving that goal. One of the most important tasks that we have engaged towards is the design of the project Archeologies and the beginning of the construction of the New Campus. The external evaluations indicate that we are on the right track and that the University of Zadar takes the second place in the ranking of universities in Croatia.
