

2012

# breaking the surface

4th international interdisciplinary field training of marine robotics and applications

October 1–8, 2012

Hotel Colentum, Murter, Croatia

This year, at Hotel Colentum, Murter, for the fourth *Breaking the Surface*, financed by the Office of Naval Research – Global held under the auspices of the President of the Republic of Croatia, we welcome a varied group of highest quality European, us and international invited speakers, including:

MARCH // Dr. Buxton (URI)  
Dr. Mathers (URI)  
Dr. Castro (Texas A&M)

MARBIO // Dr. Harvey (Uni. of W. Australia)  
Dr. Williams (Uni. Sydney)  
Dr. Lundalv (Gotheburg Uni.)

MARSEC // Dr. Qaiyumi (NSWC)  
Dr. Lane (Heriot-Watt Uni.)  
Dr. Kaminer (Naval Postgraduate School)

MAROB // Dr. Sorensen (NTNU)  
Dr. Rajan (MBARI)  
Dr. Rigaud (IFREMER)

The technical programme includes more than sixteen hours of various lectures, pannels and round tables and three full days of fieldwork at sea, supplemented by four tutorials – Maritime Archaeology tutorial by Dr. Papatheodorou (Uni. Patras), Underwater Vision tutorials by Dr. Elibol (KAIST) and Dr. Scaradozzi, (Uni. Poli. Marche) and a Marine Biology tutorial by Dr. Schultz (Uni. Zadar).

Registration and accommodation booking details are at <http://bts.fer.hr>. For a combined early-bird fee of \$750 (before Aug 31) or \$1000, participants get fully registered (technical & social programme) and full room and board for 8 nights, Sun, Sept 30, 2012 – Mon, Oct 8, 2012.

Ph.D. students will be granted credits (ECTS).
